# MARKETPLACE

A special section featuring some of the hottest available products and services in the industry.

## AUDITEC Inc

Auditec provides audio recordings and a large variety of hearing tests, as well as diagnostic and auditory training recordings. The company also offers an extensive catalog of Spanish language tests, including (Central) Auditory Processing tests. Available on cassette or CD. Video tutorials.

(800) 669-9065; [www.auditec.com](http://www.auditec.com)

## Blueprint Solutions

Free\* HCFA insurance claim processing with Blueprint Solutions. Backed by highly rated training and support, Blueprint will help you grow your practice. With Blueprint OMS, electronic HCFA claims processing is FREE.

Call (877) 686-8410 or e-mail [info@blueprintsolutions.us](mailto:info@blueprintsolutions.us). Eden Prairie, Minn | Toronto

\*A \$19.95 flat monthly fee applies if 50% or more of claims are government claims. A one-time setup fee applies. No other per claim fee applies.

## Chicago Advertising and Marketing (CAM)

What's the Best Part About Having CAM Manage All Your Marketing Programs?

- A. Widest selection of the most effective mailers
- B. Getting Highest Value, Best Pricing!
- C. World-class Customer Service
- D. It's Easy—CAM handles everything
- E. Having your patient appointments filled
- F. ALL OF THE ABOVE

Of course! You get all this and 18 years' experience dedicated to the hearing industry. CAM delivers the best results at the most competitive pricing.

(800) 778-9300; [www.campromotions.net](http://www.campromotions.net)

## CaptionCall

Introducing an exciting new Co-op Marketing opportunity to drive traffic into your practice. Through CaptionCall, you can offer your patients and potential patients a free CaptionCall phone (\$149 value) when they visit your office for a hearing exam. To learn more or to take advantage of this opportunity, visit [www.CaptionCallPartner.com](http://www.CaptionCallPartner.com) or call toll-free (877) 557-2227. Hearing on the phone just got easier! (Hearing loss is required to receive a free CaptionCall phone.)

## CapTel Captioned Telephone

Ideal for people with some degree of hearing loss, the CapTel Captioned Telephone works like any other telephone with one important addition: It displays every word the caller says throughout the conversation. CapTel phone users can listen to the caller, and can also read the written captions in the CapTel's bright display window. You hear what you can, and read what you need to.

(800) 233-9130; [www.CapTel.com](http://www.CapTel.com)

## Frye Electronics Inc

The Colt is a new breed of audiometer, controlled completely by the touch screen interface of an Android Tablet. The user interface is intuitive and elegant, allowing the operator to move between pure-tone and speech testing with a simple touch.

The tablet computer interface sits on top of the Colt's advanced hardware platform that does the hard work of accurate signal generation. Flexibility and power are combined in one sleek package.

Contact us: [sales@frye.com](mailto:sales@frye.com) or (800) 547-8209, before April 30, 2013 for AAA pricing.

## Grason-Stadler Inc (GSI)

For over 60 years, Grason-Stadler (GSI) has been "Setting The Clinical Standard" in Audiometry, Tympanometry, and hearing healthcare diagnostics. Far more than a tagline, it is embedded in our corporate DNA and is the driving force behind everything we do. Market feedback confirmed that GSI is seen as the Clinical Standard. It also established the three attributes most identified with the GSI brand: Quality, Reliability, User-Friendly.

(800) 700-4402; [www.grason-stadler.com](http://www.grason-stadler.com)

## Hearing News Network

The Hearing News Network brings customized digital content directly to hearing professionals' waiting rooms. This approach now captivates viewers and educates them better than most traditional print or poster methods. Bring education, new product launches, and staff biographies directly to life for your patients with HNN.
